### Our Clubrooms Have a Fresh New Look

Over the Christmas break, our clubrooms received a much-anticipated refresh, and we're incredibly proud to share the results with our members. The space now has a bright, modern feel, complete with a brand new TV and beautifully updated flooring. You'll also notice that our flags and plaques are still to be rehung—these final touches will be added shortly to complete the transformation.

This upgrade wouldn't have been possible without the generosity and hard work of several wonderful supporters.

A heartfelt thank you goes to our sponsor, **Tee Sohail from Harcourts Berwick**, who organised **4A Design Painting** to repaint the entire interior over Christmas. Their work has given the clubhouse a clean, fresh atmosphere that truly lifts the space.

We also extend a big shoutout to our very own members, **Carmen Bailey and her husband, Ash, along with Floorway Trading Pakenham**, who supplied and installed the stunning new flooring. Their contribution has made an enormous difference to the look and feel of the clubrooms.

The clubhouse now feels welcoming, modern, and ready for a fantastic year of tennis and community connection. We encourage all members to pop in, take a look, and enjoy the refreshed environment.

Please continue to support those who support our wonderful club.

### Aussie Day Award

We are delighted to share that **Bronwyn, our current President**, received an Australia Day Award this year. This honour came thanks to the wonderful support of Paul from **Ossie's Tennis Coaching** at Beaconsfield, who kindly nominated her. The award was presented by our local federal MP, **Jason Wood**, making the occasion even more special.

## Australian Open Pictures

Some of our members got to experience some very special moments at the Australian Open. Bronwyn made the international news and our two ballboys were outstanding. Jaxson got to meet a real legend and Jemma Talor and her daughters won a tour behind the scenes of the media.

## Court Maintenance

Court maintenance is a shared responsibility. If you choose to use the porous red sand courts, please make sure you water them before you play, and water and bag them afterwards. This simple five minute routine helps keep the courts in great condition and ready for the next player. An instructional video is available on both our Facebook page and Ossie's Tennis Coaching page for anyone who'd like a quick refresher.

## A Reminder to Keep Our Club Safe and Secure

We kindly ask all members to ensure the gates are locked when leaving the courts and the premises, if you are the last to leave. Recently, we've had instances of trespassing, and keeping the gate secured is an important step in protecting our facility.

As an unmanned club, we rely on the care and responsibility of our members to help maintain a safe environment. When coaching is not in progress, the main gate should remain closed so that unauthorised people cannot walk into the grounds.

Your support makes a real difference. Thank you for helping us keep our wonderful club safe, secure, and welcoming for everyone.

A big thank you to our valued sponsors. Please remember to support local who supports this great club.
